

## PROPOSED TEMPORARY CLOSURE OF UNNAMED ROAD, BUCKLAND NEWTON

I have received an application from Openreach to close Unnamed Road, Buckland Newton from outside Knapps Hill Farm to a point 250 metres south of Public Right of Way S10/49 (in both directions), an overall distance of approximately 650 metres. The closure has been requested to provide Openreach with safe access to undertake pole testing. These works are programmed to commence between 09:30 and 15:30 on 3rd December 2021.

Openreach will publicise the road closure in a number of ways: they will place information boards on the road in this area to inform the travelling public of the works; they will carry out a letter drop to local residents directly affected by the works; and they will sign a vehicular diversion route using the local road network. The following map shows the extent of the closure and the diversion route.

This document is for information only, however if you have any concerns about this proposal, please contact Tom Faulkner, ([trafficteam@dorsetcouncil.gov.uk](mailto:trafficteam@dorsetcouncil.gov.uk)) by 10th November 2021.
