

Consultation document ref: T.JF.093.20, dated 23rd October 2020

PROPOSED TEMPORARY CLOSURE OF MAIN ROAD, PULHAM

I have received an application from Wessex Water to close Main Road, Pulham between Pulham Business Park to East Farm Lane, Pulham (in both directions), a distance of approximately 2360 metres. The closure has been requested to allow Wessex Water to replace a Water Main. These works are programmed to commence from 11th January 2021 until 2nd April 2021.

Wessex Water will publicise the road closure in a number of ways: they will place information boards on the road in this area to inform the travelling public of the works; they will carry out a letter drop to local residents directly affected by the works; and they will sign a vehicular diversion route using the local road network. The following map shows the extent of the closure and the diversion route. There will be a diversion route for HGV's and a shorter diversion for light vehicles.

This document is for information only, however if you have any concerns about this proposal, please contact Tom Faulkner, (trafficteam@dorsetcouncil.gov.uk) by 25th November 2020.
