## PROPOSED TEMPORARY CLOSURE OF UNCLASSIFIED ROAD NEAR THE ALLOTMENT GARDENS, BUCKLAND NEWTON

I have received an application from Wessex Water to close UNCLASSIFIED ROAD NEAR THE ALLOTMENT GARDENS, BUCKLAND NEWTON between Rosslare and the junction with Providence Row, a distance of approximately 30 metres. The closure has been requested to allow Wessex Water to carry out sewer rehabilitation works. These works are programmed to commence from 25 August 2021 until 27 August 2021.

Wessex Water will publicise the road closure in a number of ways: they will place information boards on the road in this area to inform the travelling public of the works; they will carry out a letter drop to local residents directly affected by the works; and they will sign a vehicular diversion route using the local road network. The following map shows the extent of the closure and the diversion route.

This document is for information only, however if you have any concerns about this proposal, please contact Samantha Paulley, (trafficteam@dorsetcouncil.gov.uk) by 11 August 2021.
