'Village Picnic in the Park'

Arrive to the sound of the Church Bells. This will take place on the Parish Field around the Pavilion area where hot drinks and the pudding/cake will be served. So come along Sun 5th June around 12.30 with your own family, friends and picnic, maybe a bottle of wine too and we will celebrate the Queen sitting on the throne for 70 years - poor lady. Kids and maybe adults too can dress up in something Royal (or whatever). Music will be of the period and there will be fun and games afterwards. I expect it will be over by 4.00 - 4.30pm.

I would be very grateful for help setting up, please contact me if you are free to help with tables and chairs.

Platinum Jubilee Pudding update.

I emailed Fortnum and Mason who are running this National Competition with Mary Berry judging it, and they told me recently that the winning recipe will be announced in the news in May - too late for this LVN edition I'm afraid. I'll put it on Facebook and email it to people. I am hoping that enough will volunteer to make it and bring it to the Picnic in the Park (12.30 to 4.30, Sunday June 5th) for everyone to have a taste! Volunteers??
